### Cease-Fire Will Begin When Syrians Leave

TEL AVIV, Sunday. — Israel will order a cease-fire in the north as soon as all Syrian armed forces have been withdrawn from the demilitarized zone, Foreign Minister Mcshe Shannet L. De Ridder, Acting

eign Minister Mcshe Sharett informed Colonel Bennet L. De Ridder, Acting U.N. Chief of Staff, in a letter today.

In reply to a request for a cease-fire addressed by Colonel De Ridder to 19-rael yesterday and presumably simultaneously to Syria, Mr. Sharett asked what steps were contemplated to put an end to Syrian violations of the Armistice Agreement. The text of the letter follows:

The Government of Israel has received your request for an immediate cease-fire in the Buleh area. Much as we are anxious to comply and see peace and tranquillity restored in our border zone, we must draw your attention to the situation.

For days past, a considerable Arab force consisting of Syrian regulars and locally-recruited troops, has been engaged in aggressive activity against us in the Tel el-Mutella area. Concentrated in the demilitarized zone, it has made repeated incursions into agdined footholds in non-demilitarized parts of our territory to the west. Our action in repelling these attacks and dispersing the attackers is an elementary measure of self-defence.

Dollar Linked Saving Certificates Series A.--IL 10 Million

SAVING CERTIFICATES are a means of protection for the investor and a weapon for the State in its fight against inflation.
